## Chapter 11

Case No. 25 – 11195 (JKS)

(Jointly Administered)

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS,  
METHODOLOGY, AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES  
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

## INTRODUCTION

The debtors and debtors in possession (collectively, the "**Debtors**" or the "**Company**") in the above-captioned chapter 11 cases (these "**Chapter 11 Cases**") submit their *Schedules of Assets and Liabilities* (the "**Schedules**") and *Statements of Financial Affairs* (the "**Statements**") pursuant to section 521 of the Bankruptcy Code (as defined below), Rule 1007 of the Federal Rules of Bankruptcy Procedure and Rule 1007-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware.

On June 24, 2025 (the "**Petition Date**"), the Debtors commenced these Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") with the United States Bankruptcy Court for the District of Delaware (the "**Court**"). These Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered under Case No. 25 – 11195 (JKS). The Debtors are authorized to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The Schedules and Statements have been prepared by the Debtors' management team, with the assistance of their professional advisors, with reliance upon the efforts, statements, and representations of personnel of the Debtors and the advice of the Debtors' professional advisors. The Schedules and Statements are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of such information and data; however,

<sup>1</sup> The Debtors in these Chapter 11 Cases and the last four digits of their respective federal tax identification numbers are: Zen JV, LLC (0225); Monster Worldwide LLC (6555); FastWeb, LLC; Monster Government Solutions, LLC (5762); Camaro Acquisition, LLC; CareerBuilder, LLC (6495); CareerBuilder Government Solutions, LLC (6426); Luceo Solutions, LLC (4426); CareerBuilder France Holding, LLC (9339); and Military Advantage, LLC (9508). The Debtors' address is 200 N LaSalle Street #900, Chicago, IL 60601.

subsequent information, data, or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions, or inaccuracies may exist.

The Debtors and their estates reserve all rights to amend or supplement the Schedules and Statements as may be necessary and appropriate, but expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law or order of the Court. Nothing contained in the Schedules and Statements or these *Global Notes and Statements of Limitations, Methodology, and Disclaimers Regarding Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (these "**Global Notes**") shall constitute a waiver of any rights of the Debtors and their estates or an admission with respect to these Chapter 11 Cases, including, but not limited to, any issues involving objections to claims, setoff or recoupment, equitable subordination or recharacterization of debt, defenses, characterization or re-characterization of contracts, leases, and claims, assumption or rejection of contracts and leases, and/or causes of action arising under the Bankruptcy Code or any other applicable laws.

The Debtors and their agents, attorneys, and financial advisors shall not be liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

These Global Notes are incorporated by reference in, and comprise an integral part of, all the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

## **GLOBAL NOTES AND OVERVIEW OF METHODOLOGY**

1. **Reservation of Rights.** The Debtors reserve the right to dispute or to assert setoff or other defenses to any claim reflected in the Schedules and Statements as to amount, liability, and classification. The Debtors also reserve all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in their Schedules and Statements.
2. **Basis of Presentation.** The Schedules and Statements reflect the separate assets and liabilities of each individual Debtor. For financial reporting purposes, the Debtors historically prepared consolidated financial statements, which included financial information for the Debtors' business enterprise.

These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("**GAAP**"), nor are they intended to reconcile to the financial statements previously distributed to lenders, major creditors, or other stakeholders on an intermittent basis.

The Schedules and Statements have been signed by Michael Suhajda, Chief Financial Officer for Zen JV, LLC, and an officer of the Company. In reviewing and signing the Schedules and Statements, Mr. Suhajda necessarily relied upon the efforts, statements, and representations of the accounting and non-accounting personnel who report to, or work with, Mr. Suhajda, either directly or indirectly. Mr. Suhajda has not, and could not have, personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

3. **Insiders** Persons listed as "insiders" have been included for informational purposes only, and such listing is not intended to be, nor should be construed as, a legal characterization of such person as an insider, nor does it serve as an admission of any fact, claim, right, or defense, and all such claims, rights, and defenses with respect thereto are hereby expressly reserved.
4. **Accounts Payable and Distribution System.** The Debtors use a consolidated cash management system through which the Debtors pay substantially all liabilities and expenses. A more complete description of the Cash Management System is set forth in the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue Operating Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Continue to Perform Intercompany Transactions, (II) Waiving Certain Requirements Under Section 345 of the Bankruptcy Code and the U.S. Trustee Guidelines, and (III) Granting Related Relief* [Docket No. 23] filed on June, 25, 2025.
5. **Date of Valuations.** Except as otherwise noted in the Schedules and Statements, all liabilities are valued as of the Petition Date. Where values as of the Petition Date are not available, or where making calculations as of the Petition Date would create undue expense to the estates, the Debtors used values as of the prior month-end close, May 31, 2025. The Schedules and Statements reflect the Debtors' best effort to allocate the assets, liabilities, receipts, and expenses to the appropriate Debtor entity "as of" such dates. All values are stated in United States currency, unless otherwise indicated. The Debtors made reasonable efforts to allocate liabilities between the pre- and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and postpetition periods and amend the Schedules and Statements accordingly.
6. **Book Value.** Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of net book value of the asset or liability in accordance with such Debtor's accounting books and records. Therefore, unless otherwise noted, the Schedules and Statements are not based upon any estimate of the current market values of the Debtors' assets and liabilities, which may not correspond to book values. It would be cost prohibitive and unduly burdensome to obtain current market valuations of all of the Debtors' interests. Except as otherwise noted, the Debtors' assets are presented, in detail, as they appear on the Debtors' accounting sub-ledgers. As such, the detail may include error corrections and value adjustments. The Debtors believe that certain of their intangible assets may have been significantly impaired by, among other things, the events leading to,

and the commencement of, the Chapter 11 Cases. The Debtors have not yet formally evaluated the appropriateness of the carrying values ascribed to their assets prior to the Petition Date.

7. **Property and Equipment.** Property and equipment are stated at cost, less accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, which range from 1 to 15 years. Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination of the legal status of any lease (including, without limitation, whether any lease is a true lease or a financing arrangement, and whether such lease is unexpired), and the Debtors and their estates reserve all rights with respect to such issues.
8. **Causes of Action.** The Debtors have made their best efforts to set forth known causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to causes of action they may have (including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws), whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action, or in any way waive, prejudice, impair, or otherwise affect the assertion of such claims and causes of action.
9. **Litigation.** Certain litigation actions (collectively, the "*Litigation Actions*") reflected as claims against a particular Debtor may relate to other Debtors. The Debtors made reasonable efforts to accurately record the Litigation Actions in the Schedules and Statements of the Debtor(s) that is the party to the Litigation Action. The inclusion of any Litigation Action in the Schedules and Statements does not constitute an admission by the Debtors of liability, the validity of any Litigation Action, or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.
10. **Credits and Adjustments.** In the ordinary course of their business, the Debtors apply credits against amounts otherwise due to vendors. These credits arise because, among other things, (a) materials / services ordered and paid for may not be delivered, (b) materials / services delivered may be damaged or unusable, (c) the vendor provided volume rebates and cash discounts, and (d) quantity and/or shipping / delivery variances and violations may have occurred. Certain of these credits are subject to change. Claims of vendors and creditors are listed in the amounts entered on the Debtors' books and records, and may not reflect certain credits, allowances, or other adjustments due from such vendors or creditors to the Debtors. The Debtors and their estates reserve all rights with regard to any such credits, allowances, and other adjustments, including, without limitation, the right to assert claims, objections, setoffs, and recoupments with respect to the same.
11. **Executory Contracts and Unexpired Leases.** Unexpired leases have been included as assets in Schedules and Statements valued at an undetermined amount. The Debtors' rejection of executory contracts and unexpired leases may result in the assertion of rejection damages claims against the Debtors and their estates; however, the Schedules and Statements do not reflect any claims for rejection damages. The Debtors and their estates

reserve all rights with respect to the assertion of any such claims. Every effort has been made to locate and accurately attribute contracts and leases to the appropriate Debtor entity; however, inadvertent omissions or misattributions may exist despite such efforts.

12. **Claims.** Certain of the Debtors' Schedules list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The claim amounts reflected on the Schedules may include the Debtors' estimates for vendor charges not yet invoiced. By estimating certain invoices, the Debtors are not representing that they have sought to identify and estimate all not yet invoiced vendor charges. While the Debtors have made their best efforts to reflect the claims by vendor, excluding these various adjustments, while including the "vendor credits" discussed above, the actual unpaid claims of creditors that may be allowed in these Chapter 11 Cases may differ from the amounts set forth in the Schedules and Statements.

The Debtors intentionally have not included "non-cash" accruals (*i.e.*, accruals to recognize expense or liability over multiple periods where no specific obligation to perform is established, such as accruals to equalize lease payments) in the Schedules and Statements.

13. **First Day Orders.** Pursuant to various "first day" orders and any supplements or amendments to such orders entered by the Court (each, a "***First Day Order***," and collectively, the "***First Day Orders***"), the Debtors and their estates are authorized or expect to be authorized to pay certain prepetition claims, including, without limitation, certain claims relating to employee wages and benefits, claims for taxes and fees, and claims related to insurance programs. Unless otherwise set forth herein, the Debtors have not included in the Schedules and Statements amounts paid under the First Day Orders.
14. **Classifications and Claims Descriptions.** Any failure to designate a claim listed on a Debtor's Schedule as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that the claim is not "disputed," "contingent," or "unliquidated." Likewise, listing a claim (a) on Schedule D as "secured," (b) on Schedule E/F as "unsecured priority," or "unsecured non-priority," or (c) listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors and their estates of the legal rights of any claimant, or a waiver of the rights of the Debtors and their estates to amend these Schedules and Statements to recharacterize or reclassify any claim or contract. The Debtors and their estates reserve the right to (i) object to, or otherwise dispute or assert setoff rights, cross-claims, counterclaims or defenses to, any claim reflected on the Schedules on any grounds, including, without limitation, amount, liability, validity, priority, or classification, or (ii) otherwise designate subsequently any claim as "disputed," "contingent," or "unliquidated."
15. **Addresses of Individuals.** Consistent with that certain *Order (I) Authorizing the Debtors to Redact Certain Personal Identification Information for Individuals and (II) Granting Related Relief* [Docket No. 51], the Debtors have attempted to redact addresses for individuals, where reasonably possible, in order to protect the privacy of these individuals. The Debtors have served and will continue to serve all necessary notices, including notice of any claims bar date, to the actual address of each of these individuals.

16. **Estimates.** The Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. Actual results could differ materially from such estimates. The Debtors and their estates reserve all rights to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.
17. **Artificial Intelligence and/or Machine Learning Technology.** In certain situations, the Debtors and/or the Debtors advisors may have used artificial intelligence and/or machine learning technology ("AI") in preparation of the information included in the Schedules and Statements. AI has many benefits including the ability to review large amounts of data in a relatively short period of time, and generate complex output based upon such data. However, AI technology has inherent limitations and can produce inaccurate results. In all cases where AI was utilized, the Debtors and/or the Debtors advisors made reasonable efforts to have a human review and edit the final content. However, inaccuracies may occur and consequently no assurances can be made regarding the information derived based upon AI technology that was included in the Schedules and Statements.

## **SPECIFIC ADDITIONAL DISCLOSURES WITH RESPECT TO SCHEDULES**

### **Schedule A/B**

**Item: 8:** Certain retainers or deposits reflect payments to the Debtors' professionals made by a certain Debtor entity but may be subject to applicable allocation amongst the Debtors. The retainers and deposits are listed as of the Petition Date. Professional retainers and other prepaid deposits may be subject to reconciliation.

**Item 11:** Accounts receivable includes the accounts receivable aging as of the Petition Date, and the allowance for doubtful accounts, other receivables, and long-term accounts receivable as of month end May 31, 2025.

This item excludes intercompany receivables. However, the corresponding intercompany payables balance can be found in Schedule E/F.

**Item 13:** A complete description of the investments and organizational structure is included in the *Declaration of Michael Suhajda, Chief Financial Officer, in Support of Chapter 11 Petitions and First Day Pleadings*. [Docket No. 36].

**Item 50:** The Debtors own certain furniture, fixtures, and equipment that are fully depreciated, have a book value of \$0, and have been excluded from the Schedules.

**Item 55:** The Debtors have made certain improvements to real estate, which have been excluded from the Schedules as they are fully depreciated and have a book value of \$0.

**Items 59-66:** The Debtors do not have a recent valuation for the items listed in Part 10. Accordingly, the Debtors have not listed the value of such items because the values on the Debtors' books and records may not accurately reflect their value in the marketplace.

**Item 72:** Zen JV, LLC, pays state taxes as required for its partnership structure. The tax attributes related to these partnership taxes, if any, are reported on each of the debtors, as applicable. The owners of Zen JV, LLC report their respective share of income/loss and deductions on their returns, and those tax attributes are not reported on the Debtors' schedules.

**Item 73:** The Debtors' insurance policies cover all of the entities in the group. The related prepaid insurance assets are scheduled at CareerBuilder, LLC.

**Items 74 and 75:** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their respective causes of action or potential causes of action against third parties as assets in Schedule A/B, Part 11, Items 74 and 75, including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws (including, but not limited to, potential preference actions and/or fraudulent transfer action). The Debtors and their estates reserve all rights with respect to any claims and causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims and causes of actions, or in any way waive, prejudice, impair, or otherwise affect the assertion of such claims and causes of action.

### **Schedule D**

Except as otherwise ordered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed on a Debtor's Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim.

Except as specifically stated herein, real property and equipment lessors, utility companies, and other parties which may hold security deposits or have security interests up to the value of their leased property, have not been listed on Schedule D. The Debtors have not included parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

Guarantor entities for secured debt liabilities are marked as "contingent" while the borrower entity is not. Equipment financing obligations secured by specific assets are included in Schedule D and are designated as "contingent" where the Debtors are guarantors and "unliquidated" where the claim amounts have not yet been determined.

### **Schedule E/F**

The Debtors reserve their right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority and the listing of any claim on Schedule E/F, Part 1 does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

In certain instances, a Debtor may be a guarantor with respect to scheduled claims of other Debtors. No claim set forth on the Schedule E/F of any Debtor is intended to acknowledge claims of creditors that are or may be otherwise satisfied or discharged.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

The Debtors have listed their known creditors in Schedule E/F. To the extent attorneys have entered appearances on behalf of such creditors, those appearances are noted on the docket of the Chapter 11 Cases and are not separately listed in Item 4.

Third parties should not anticipate that the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules will reflect their ultimate recoveries in these Chapter 11 Cases. Actual assets and liabilities may deviate from the amounts shown in the Schedules due to various events that occur throughout the duration of these Chapter 11 Cases.

Any credits due to customers are included as undetermined in the liability schedule as these credits are only redeemable when applied against future orders.

### **Schedule G**

The business of the Debtors is complex and, while every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed therein. Relationships between the Debtors and their vendors are often governed by a master services agreement, under which vendors also place work and purchase orders, which may be considered executory contracts. The Debtors believe that disclosure of all of these purchases and work orders would be impracticable and unduly burdensome. Likewise, in some cases, the same supplier or provider may appear multiple times in Schedule G.

Unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all final exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any executed agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. The Debtors and their estates hereby reserve all of their rights, claims, and causes of action to (i) dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (iii) amend or supplement such Schedule as necessary.

Certain contracts where it is unclear which Debtor entity is the actual counterparty are listed under the Debtor entity with which the counterparty historically conducted business, based on prior disbursements and available records.

### **Schedule H**

Due to their voluminous nature, and to avoid unnecessary duplication, the Debtors have not included on Schedule H debts for which more than one Debtor may be liable if such debts were already reflected on Schedules E/F or G for the respective Debtors subject to such debt.

### **SPECIFIC ADDITIONAL DISCLOSURES WITH RESPECT TO STATEMENTS**

**Question 1:** The Company reports revenue net of sales and other taxes collected from customers to be remitted to government authorities.

**Question 4:** Certain of the Debtors' intercompany transfers are reflected through accounting entries rather than cash transfers. The Debtors have only listed cash transfers, excluding the voluminous non-cash intercompany accounting entries, in Question 4 of the Statements.

Payments scheduled in Question 4 are based on which Debtor entity recorded the transfer. Certain individuals appear in multiple Debtors' Question 4, if they were paid by multiple Debtors.

Individual insiders who held multiple titles during the 1 year preceding the filing will be listed using the last title that they held.

**Question 6:** The Debtors have used their best efforts to reflect setoffs made by creditors without permission that the Debtors are aware of; however, there may be instances, including, without limitation, credits due to landlords and holdbacks made by credit card processors, where such a setoff has occurred without the Debtors' knowledge.

**Question 11:** Certain disbursements listed in Statements, Part 6, Question 11 reflect payments to professionals made by a specific Debtor entity but may be subject to applicable allocation amongst the Debtors. Payments related to bankruptcy in Question 11 are reflected in the Statements of Monster Worldwide LLC and CareerBuilder, LLC. The Debtors have listed payments made to professionals retained by the Debtors but not payments made to advisors of their pre-petition and postpetition lenders or other parties on account of any applicable fee arrangements. Payment dates listed in response to Statements, Part 6, Question 11 are based upon the Debtors' books and records. Payment dates shown in professional retention applications may vary due to payment receipt and/or processing date.

**Question 20:** The locations listed represent datacenter locations.

**Question 26d:** From time to time, the Debtors provide financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing, and other reasons. Recipients may include regulatory and tax agencies, financial institutions, investment banks, vendors, debtholders, and their legal and financial advisors. Additionally, the Debtors contacted various parties in connection with the Debtors' efforts to market and sell their assets and raise new

sources of capital. The Debtors shared certain financial information under non-disclosure agreements to certain of those parties, who are not individually disclosed herein.
